President's Message

Aloha everyone,

Well August is among us, how time flies so fast, because another month (July) has just gone by. My first meeting as President went well as could be expected. We had a good show of members. We had pizza, drinks, chocolates and macadamia nuts for all who attended, just a little something from me. Remember, we will meet at **6 PM** in August rather than 6:30.

Shortly after you receive this issue, **Phil Sammer** and **Rick Lau** will be en route to attending the 69th International Convention in Yokohama, Japan Aug 6-8, and will be representing us all there. I recall Phil mentioning that the US Area Group will have to perform onstage something whether singing or maybe playing the 'ukulele? Good luck Phil and the Hawaii gang! Gambate Kudasai! (Good Luck!) Represent us well!

So far for August we don't have any projects planned, so we can come up with one at our upcoming meeting. We do have a project coming around the corner, on Labor Day weekend, Saturday September 4, 2010 to help with the Okinawan Festival at Kapi'olani Park for club member Eunice Dela Cruz's Okinawan club whom we helped last year. We will be assisting them again to sell huli huli chicken. Remember to sign up if you haven't done so. Also you can buy more scripts at the event too.

Sadly to say, **Ben Inouye** of Hilo Y's Men's Club passed away July 23, 2010. We want to send his family our condolences and deepest sympathy at this time. He was a long time member and supporter. Many of you don't know Ben Inouye, but when I went to a Hilo Convention in the past, he gave us a guided tour of his orchid and anthurium farm in Hilo. One thing that I remembered that was unique was that they created a green color or midori anthurium. Ben had a warehouse full of anthuriums that were freshly picked and generously told us to take some home. Check it out whenever you are in Hilo.

Aloha! *Garret*

Lines to make you smile:

.. I don't suffer from insanity; I enjoy every minute of it.
.. Some people are alive only because it's illegal to kill them.
..Don't take life too seriously; No one gets out alive.
..A hangover is the wrath of grapes.
..Stupidity is not a handicap. Park elsewhere!

Christian Emphasis By Rick Lau

"Jesus Christ is the same yesterday,
today, and forever." - Hebrews 13:8

The present tense Christ. He never says
"I was". We do because "we were". We
were younger, faster, prettier. Prone to
be people of the past tense, we
reminisce. Not God. Unwavering in
strength, he need never say "I was".
Heaven has no rear view mirrors. Can
God be more God? He does not change.
He is the "I am" God. "Jesus Christ is the
same yesterday, today and forever".
