Invitations were mailed and emailed to members, past members, guests and Hawaii Region Clubs to the 75th Anniversary Special Luncheon on Saturday, August 3, 11 AM at the Kilauea Lodge & Restaurant. The Lodge connects the history of the YMCA and Y's Men's. The Island of Hawaii Summer Fun June 3 - August 2 Hilo/Kona

Summer is a time for children to explore, to wonder, to discover their fullest potential while enjoying the outdoors and making new and lasting friendships. At the 'Y' children are learning and demonstrating the "Y" core values of **caring, sharing, honesty** and **responsibility** with their adult role-model leaders.

"A perfect summer day is when the sun is shining, the breeze is blowing, the birds are singing, and the lawn mower is broken."

CHRISTIAN EMPHASIS

"The YMCA was the first institution to build CHAPELS IN SERVICE BUILDINGS, following churches and colleges/prep schools. The idea of a quiet place to examine one's faith in a non-sectarian, non-education setting was an innovation quite evident in early Y buildings, 1990-1950. Some new facilities still include this important space, although newer editions have the all-purpose look, in deference to costs." - Solon Cousins, CEO YMCA of the USA 1980-90
