Sorry, folks! We haven't been paying much attention to the Japan 2007 itinerary.

We are still waiting for the Hawaii 2007-2008 school calendar to determine when the Fall break is ... then we can have some serious decision making.

All I can say is ... we don't have enough days!

- ☺ travel to Tokyo is 1 day (+1)
- ☺ Tokyo requires three days ... for three tours (+3)
- ☺ Mt Fuji/Hakone and ryokan is another day (+1)
- ☺ Kyoto/Nara has much to see ... so say two days (+2)
- ☺ Hiroshima .. needs visit to Miyajima Island and visit with brother club, plus tour (+3)
