

Y'sdom Acronyms

The latest one sounds like “Why sigh.” It’s the acronym YSCI, standing for Y Service Clubs International, and it’s just one of those many sets of initials our organization uses every day.

Old-timers got to know most of them over the years but they can be confusing to newcomers hearing what seem like words such as “ape.” (Ray Seto and Phil Sammer each served as an “APE.”)

So here’s a list to help:
